

TIPOGRAFIA BOLONGARO IN SWITZERLAND

The Tipografia Bolongaro has become a reference point in the typographic as well as in the printing industry in the near Swiss territory thanks to the high level quality of our printed materials and the punctual service we are able to offer. Quality and punctuality are the core principles we have improved through a long-standing relationship with our swiss clients.

Geographic proximity (only 30 km from Locarno) allows our company to be competitive as far as transport costs are concerned and moreover we are constantly present in Switzerland to fulfill our clients' needs. As a matter of fact a net of sales agents is always available at any time.

Please, contact our export office that will put you in contact with the nearest agent.
